Smiley mentioned a few needs regarding yearbook - they will coordinate with Carrie and Iris will send an ask regarding uploading pictures for use.

Enrichment Update: Kathryn - Salon Night - April 17th - I am Not Your Negro - District Boardroom. Trex plastic collection has now passed 4000 pounds and officially ends on Monday. Literature for how to continue participating will go home next week. Shoe drive - Eagle Harbor is planning to run a shoe drive as a fundraiser. Kathryn does not want to take away from their effort - It was proposed that we should collect shoes for them at Bingo Night only and give those contributions to Eagle Harbor.

Financial Update: Nicole - We are financially sound. Teacher enhancement grants are being submitted. We will probably have funds leftover and will need to address those overflow funds for something for next year. A possible allocation would be toward the outdoor amphitheater project. Nicole presented the proposed budget - In the June meeting, we will go over the budget and allocate funds. There was some discussion of how we could roll funds forward as "designated funds" to continue to fund the amphitheater. The budget will be further discussed at the May meeting if needed and posted for 30 days and we will vote to approve at the June meeting.

PTO Board Looking Ahead: Carrie may move into the communications position. And Lori will remain in the volunteer position coordinating with Carrie.
